

More Emergency Hospitals Due In Southland

The delivery to Southern California cities of 17 new emergency hospitals, each with a 200-bed capacity, will be completed by the California Disaster Office before the end of July.

Each hospital consists of 13 tons of crated medical equipment and supplies that can be set up quickly in public buildings to care for disaster victims. Valued at \$30,000 per hospital, each unit contains X-ray machines and a complete surgery.

A TOTAL of six hospitals have already been placed—at Avalon's Falls Canyon Warehouse, Catalina Island; Merton Air Academy, Blythe; in West Covina at the corner of California and Service Sts.; at two sites in Acton Camp, Antelope Valley, and in Torrance.

To augment existing hospital facilities in case of a natural or war-caused disaster, additional hospitals will be stored at Fairview Hospital, Costa Mesa; Fontana City Hall; the Water Department Building, Glendora; and the Telephone Maintenance Building in Laguna Beach.

OTHERS WILL BE delivered to Santa Barbara, Santa Maria, and Yucaipa to locations to be determined—with Lancaster and Castaic each receiving two.

According to Harry Deal, medical and health officer for the southern regions of the State Disaster Office, these new placements will give California a total of 177 emergency hospitals.

Sunday Sermon Tells Pathway To Eternal Life

"Keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life." This admonition from Jude (1:21) is the Golden Text of the Sunday Lesson-Sermon on "Life" in all Christian Science churches.

Enrichment of life through spiritual understanding of God is the theme of the sermon. Scriptural selections include these words from John (17:3) and from Revelation (22:14, 17). "And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent." "Blessed are they that do his commandments, that they may have the right to the tree of life, and may enter in through the gates into the city. . . . And whosoever will, let him take the water of life freely."

In "Science and Health with Key to the Scriptures" Mary Baker Eddy declares, "Ignorance of God is no longer the steppingstone to faith. The only guarantee of obedience is Life eternal" (vii).

Pioneer Day Celebration Plans Ready

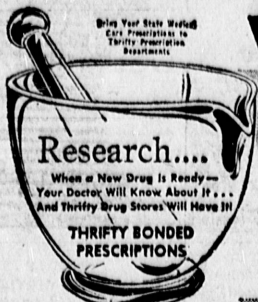

Members of the Torrance Stake of the Church of Jesus Christ of Latter-day Saints will join the stakes all over the nation on July 22 in celebration of the church's Pioneer Day. The event will commemorate the entrance into the Salt Lake Valley by Brigham Young and the band of pioneers.

Members and friends of the Torrance Stake are invited to attend the celebration, to be held at the Stake Center, 2000 W. 174th St., from 10 a.m. to 11:30 p.m.

Festivities include booths, prizes, pageants, whistler contests, costume contests, and a beef pit barbecue dinner. Adequate parking facilities are provided at the center. Everyone is urged to come early and stay late for a day of fun and celebration.

"The pioneers who blazed the trails now have descendants who burn up the roads."
